### Instrument Loan Program

Status4 is pleased to provide our registered students with access to loan instruments. The purpose of our loan program is to provide our students with practice instruments that might not have the ability access otherwise by ownership or borrowed.

To ensure that we can maintain our level of instrument availability, setup and maintenance, there is a \$20 annual loan program fee, allowing registered students to sign out a Guitar or Djembe for a specified period of time per month, as inventory is limited.

1. The instrument/accessory is to be returned in as-issued condition at the end of the stated rental period. If the instrument is damaged, dirty, or missing, Status 4 Inc. staff must be notified at once. Charges may be assigned for repair, cleaning, or replacement if deemed as a result of willful neglect. Failure to respect these conditions may result in loss of loan privileges and /or program enrolment.
2. Except Status 4 Inc. sanctioned functions, *no* instruments or accessories are to be used without permission of the Status 4 Inc. for other than practice at the student's home.
3. The Director/Instructor will provide the student with the assigned instrument, indicating the need for the student to borrow the instrument and completing the instrument sign out and return log book.
